

**GUARDIAN MANUFACTURING COMPANY LLC**  
302 Conwell Avenue, Willard, Ohio 44890

## NEWS

*For Immediate Release*  
June 22, 2018

Guardian® launches Electrician's glove production. Initially Classes 00 and 0 will be sold in black and red (with yellow to come); meeting or exceeding ASTM standards. This follows a trial period earlier this year with manufacturing shakeout and market feedback.

Class 2 gloves for linesmen are slated to commence in sixty days. See [Protective Gloves](#) tab for description and specifications.

Guardian is premier manufacturer of high end protective gloves in all categories comprised of Butyl, Natural Rubber and Neoprene. See [Home](#) tab. Accompanying inner gloves are also available.

See [Contact Us](#) tab for assistance and [Order Gloves](#) tab for terms and conditions.
